Placerville Arts Association (PAA) is continuing our tradition of member shows. The Summer 2022 show will be presented online at Placerville Arts Association's website, [placervillearts.com](http://placervillearts.com). This year's member show will be a bit different from our other events. There is NO time limit as to when your art was created. We are encouraging you to enter a collection of your work that represents you as an artist, from you began creating art to present day. This is an opportunity to show how you have evolved or your persistence in being who you are. Join us virtually for our summer virtual show.

Our show Judge is Gwen Fox.

**Judge's Bio:** Gwen Fox is a renowned international professional Artist and Art Coach who empowers artists to recognize their unique artistic style, establish a marketing strategy, develop a strong success mindset while creating a life they love. Gwen does this by relating her own personal story of self-discovery, helping Artists discard the limiting beliefs placed by outside influences. This allows each Artist to reach the core essence of their unlimited creativity.

Gwen's work was selected to show with His Royal Highness Prince Phillip in the famous Fermoy Art Gallery Kings Lynn England. She has shown in the Catherine Lorillard Wolf Art Club in New York, had one woman shows in Hawaii England, Washington D.C., Taos, NM, Charleston, S.C. and Florida. The National Security Agency commissioned Gwen to do two large paintings for their office in Fort Meade, Maryland. Her work is in many corporate and private collections.
